

Taiwan

Includes distribution via Interfax and Central News Agency (CNA), Taiwan's largest national news agency, to general media with coverage of business and financial media, key databases and broadcasting systems, and newspapers. CNA correspondents file hundreds of news items every day, covering politics, economics, defense, diplomacy, military affairs, justice, and international and cross-Taiwan Strait affairs, making it the largest news provider in Taiwan. In addition to articles, CNA offers radio, television, in-flight services and mobile phone operators with news content and images from around the world. Includes Traditional Chinese translation based on your English language news release. Additional translation services are available.
