

LatinoWire - California

Distribution of your press release in English and Spanish to Latino and general-focus print, broadcast and online media, news wires and news services throughout California. Includes Business Wire's Online & Database network, with distribution/full-text posting to relevant Web portals, news sites, information systems, databases as well as individual journalists and consumers via email and RSS opt-in systems. Also includes complimentary NewsTrak measurement reports. LatinoWire provides free Spanish translation from your English copy.
